

Let's build  
something new.

## Our Texas Office.

Old Republic Construction Program Group would like to welcome Bryan Stevenson, a 15-year veteran of construction underwriting, to our team.

Bryan will be leading Old Republic Construction Program Group's Central region from our newest office located in Dallas, TX. Bryan has worked for major insurance companies and brings extensive underwriting management experience on large-volume books of construction business. His national scope of experience will be an asset to the Old Republic team.
